

# Welcome to the Children's Center!

2017-2018

We are honored that you have chosen the LAUMC Children's Center Preschool as your child's first school experience. For those of you who are new to our school, we look forward to getting to know you and your children. To our previously enrolled families, we continue to consider it a gift to be part of your children's lives. It is the personal relationships that bind and form the foundation of our school.

The Children's Center is a quality play-based preschool that offers a creative and developmentally appropriate early childhood education program. We provide valuable play opportunities while encouraging social, emotional and cognitive growth through meaningful curriculum. We treasure each child's personality and guide them towards a love of learning and an appreciation of school. Please check out our Family Resource Center calendar of events which supports our families and the community.

If you have any questions or concerns, we are happy to offer our guidance and support. We are here to share in your life's joys and the harder moments. The entire administrative team is available by phone and e-mail. We always and happily maintain an open door policy! We are here for you.

Wishing you all a wonderful summer and we will see you in August!

Heidi Bliss and Dee Gray  
Children's Center Co-Directors
