ENROLLMENT 2018-19

We offer a play-based preschool program for children 2 through 5 years old. Each year's class builds on the previous year's program in curriculum experiences and activities offered. Our goal is to nurture each child's emotional, intellectual, and social development. The classrooms are set up to invite exploration and foster a love of learning. Our staff is committed to the young child and the importance of early childhood education. We offer extended hours and a variety of enrichment programs in the afternoon. Please refer to the Children's Center website for additional information. Our school year begins August 27, 2018 and ends June 6, 2019 with our school-wide Family Fun Day. For our currently attending children, we also offer a separate, three week, morning only, Summer Camp.

Los Altos United Methodist Church Children's Center admits students of any race, religion, and national and ethnic origin to all programs or activities and does not discriminate on the basis of these factors in the administration of its admission policies or tuition assistance program.
