ENROLLMENT 2017-18

We offer a play-based preschool program for children 2 through 5 years old. Each year's class builds on the previous year's program in curriculum experiences and activities offered. Our goal is to nurture each child's emotional, intellectual, and social development. The classrooms are set up to invite exploration and foster a love of learning. Our staff is committed to the young child and the importance of early childhood education. We offer extended hours and a variety of enrichment programs in the afternoon. Please refer to the Children's Center website for additional information. Our school year begins August 28, 2017 and ends June 6, 2018 with our school-wide Family Fun Day. For our currently attending children, we also offer a separate, three week, morning only, Summer Camp.
