

## ENRICHMENT CLASSES FOR 2018/19 Pre-K:

### **SCIENCE: Pre-K - Mondays (1:00 - 2:00 PM)**

This popular class offers a wonderful introduction to scientific concepts and an exploration of technology in a guided, small-group setting. Fun, hands-on activities, experiments and discovery will entertain and educate the natural curiosity in your child.

### **ZOO PHONICS: Pre-K - Tuesdays & Thursdays (1:00 – 2:00 PM)**

Using a “whole-brain” approach for the best memory retention, your child will learn their letters, sounds and pre-reading skills. As children learn through doing, “Zoo-Phonics” provides opportunities to learn in a joyful, innovative way. Because this is a twice weekly class, the fee is \$1,500.

### **COOKING: Pre-K - Wednesdays (1:00 – 2:00 PM)**

This hands-on, interactive program provides opportunities for children to explore and develop their culinary skills. They will be encouraged to taste their creations which will help foster an interest in new foods. At the end of the year the children will have created their own recipe collection.

### **IMAGINATION STATION: Pre-K - Wednesdays (1:00 – 2:00 PM)**

Children will take a story adventure each week in this class that encourages a love of language and literature in all its forms. “Story sticks” and creative weekly projects lead the children toward an appreciation of literature and create excitement about the building blocks of reading.
