

ENRICHMENT CLASSES FOR 2018/19 for Pre-K & Threes:

MUSIC: PRE-K & THREES - Mondays (1:00 - 2:00 PM)

Explore the fun and magical world of music! Activities will include making instruments, experimenting with sound and movement, exploring different instruments as well as learning about different styles of music. [Teachers – Lorelei Russell & Rosalind Garrow](#)

MINI MASTERS: PRE-K & THREES - Tuesdays (1:00 – 2:00 PM)

Let's unlock your child's creativity as we explore the art world. We will learn about the great artists, travel through famous museums and make our own masterpieces! Students will use an assortment of mediums, as well as open-ended activities to create their own, one of a kind masterpieces. [Teacher – Danielle Lanthier](#)

FIRST FRENCH: PRE-K & THREES - Wednesdays (1:00 – 2:00 PM)

Bonjour! This class will expose the children to basic French vocabulary by reading French stories, tasting French treats and singing French songs. Students will learn proper French for simple greetings, numbers, colors, food and more, in a fun creative setting.

[Teacher – Sabine Muller-Roth](#)

PLAY AT LIFE: PRE-K & THREES - Thursdays (1:00 – 2:00 PM)

"Play at Life" teaches pragmatic life skills in a carefully planned and fun way. Each week, exciting environments such as "Birthday Party Day", "A Day at the Veterinarian's Office", "Gardening", "Ice-Cream Shop", "Hair Salon/Barbershop", "Traffic Safety" and many more are set up for the children to enjoy. These experiences provide opportunities for children to learn practical life skills which help guide them towards independence, while building a solid foundation of self-reliance. [Teacher – Karen Rooney](#)

GYMNASTICS: PRE-K & THREES - Fridays (1:00 – 2:00 PM)

This class focuses on gross motor, core strength, and coordination skills. Children will practice tumbling, acrobatics, balancing, jumping on the vault and interactive games with the parachute. This class is ideal for coordination, agility, balance, muscle development and fun!

[Teacher – Kim Kludt](#)

MATH WIZARDS: PRE-K & THREES - FRIDAYS (1:00 – 2:00 PM)

Math is awesome! The class introduces and reinforces math concepts of shapes, measurements, patterns, and numbers through games, projects, literature, art, and music. Math Wizards provides a rich environment with hands-on experiences so children can have fun with math and strengthen their mathematical foundation. Let the magic begin! [Teacher – Merry Cohn](#)
