PARENT'S HANDBOOK - 2022-23

Children's Center Preschool

“A Loving Place to Play & Grow”

The Children's Center is a play-based preschool where learning through play supports the whole child. Through experience and practice children will grow socially, emotionally, physically, and academically. We provide a safe place for children to become independent thinkers while developing positive self-concepts. We believe self-regulation and resiliency are direct results of learning through play. By “doing” and “experiencing” children construct internal building blocks for both personal growth and life skills, with the greatest benefits coming from a child's body and mind working together. It is our commitment to provide a loving, respectful, and joyful place for all children to play, learn, and develop.

Our program provides both structured and unstructured time each day. We understand young children need many opportunities to choose activities from our carefully prepared environment. One of our key goals is to help each child learn to balance their roles as a contributing and cooperative member of a social group, and as an individual who needs to think, dream and contemplate. Our developmentally appropriate program provides a safe and nurturing Christian environment. Principles of love and respect guide our children as they learn and grow.

The Children's Center Preschool offers a weekday program for children ages 2-5. Typically, our regular preschool classes begin at the end of August and run through early June. In addition, we offer a two-week Summer Camp in June for our currently enrolled students.

The staff and Directors are available to you for support, conversation, and conferencing. Our Family Resource Center (FRC) provides informative speaker events and a book lending library for parents. In addition, educational assemblies for children and/or parents will be offered throughout the school year.

The Los Altos United Methodist Church offers separate Sunday school programs with children's choirs, Summer Camp and special seasonal activities. If you are looking for a home church, please consider a visit to LAUMC.

Thank you for considering the Children's Center for your child's preschool. For more information, please check out our website: www.childrenscenterpreschool.org. You may call the office if you have any questions at (650) 941-5411 or e-mail childrenscenter@laumc.org.

PROGRAM INFORMATION

Our programs focus on social development and learning through play. Each year's class builds a strong foundation on the previous year's program in curriculum experiences and activities offered. The classrooms are set up to invite exploration and foster a lifelong love of learning. Our staff is deeply committed to the young child and the importance of early childhood education. All classes begin at 8:45 AM and end at 11:45 AM.

TWO's: To register in our Two's program, we expect children to have turned 2 by September 1st, 2022. The focus of this class is on social development and learning through play. Separating from parents, learning to take direction, and being nurtured by people outside of the immediate family are important parts of being two years old. The building of trust between teacher and child combined with an emerging peer awareness are key social components and help provide a foundation for learning.

Tuesday and Thursday classes:	\$5,180.00
Monday, Wednesday & Friday classes:	\$7,400.00
Monday – Friday classes:	\$12,580.00

THREE'S: We recommend this class for children who turn 3 by the month of September. The emphasis in our Three's class is to encourage further socialization by reinforcing how a child's choices affect their relationships and environment. There are greater expectations for participation and age-appropriate play practices. This class fosters independence, creativity, cognitive growth, and fine/gross motor skill development. Children are introduced to phonemic awareness, patterning, and number sequencing with value recognition. Following both verbal and visual directions are also important components of the Three's class.

Monday, Wednesday & Friday classes:	\$7,600.00
Monday – Friday classes:	\$12,920.00

PRE-KINDERGARTEN: We recommend this class for children who turn 4 by the month of September. The intent of this class is to further support the development of social awareness, emotional intelligence, and Kindergarten readiness skills. Critical thinking, science, sequencing, sorting, classification, matching, number values, phonemic awareness, problem solving, storytelling and following multi-step directions are all incorporated in our curriculum. Children develop their gross and fine motor skills while working in large and small groups. Through play and collaborative group work, children come to appreciate the value of cooperation and contribution. The children are encouraged to take risks, helping them to discover how the process of learning is often more valuable than the outcome. The mastering of appropriate academic and social skills are the cornerstones of this program.

Monday, Wednesday & Friday classes:	\$7,800.00
Monday – Friday classes:	\$13,260.00

SUMMER PROGRAM

The Children's Center offers a two week "Summer Fun Zone" in June. Students who have attended the Children's Center during the current school year are eligible for enrollment. You may enroll your child in one, or both weeks of the Summer Fun Zone program.

Each morning is filled with arts and crafts and experiential opportunities both in and outside the classroom. Entertainment, water play, and special snacks are just some of the many surprises during each week. Each camp runs from Monday through Friday, 8:45 AM to 11:45 AM. Classes are typically grouped by age. Registration for the summer program takes place in early spring and is on a first-come-first-served basis.

ENRICHMENT CLASSES

Enrichment classes are designed to enhance our school year programs and are especially created for the child who is ready for a longer day. These developmentally appropriate classes are short in duration, fun, participatory, and focus on "learning by doing". They are available to Three's and Pre-K children. There are 26 weekly classes from 1:00-2:00 PM, during the regular school year. The enrollment fee is \$845.00 for the 26-week program. The sign-up for these enrichments is separate from our regular school year program. Some typical offerings are listed below.

- **Imagination Station:** Creative in-depth explorations of great children's books.
- **Little Yogis:** through breathing, balance and strength, children gain flexibility, mindfulness and improve concentration.
- **Math:** Fun with numbers, patterns, shapes, spatial relationships and more.
- **Exploring Art:** Explore the world of art, and along the way learn about artists, museums, and self-expression.
- **Music:** Introduction to a variety of musical instruments, rhythmic concepts, and pure joy!
- **Play at Life:** Through dramatic play children experience practical life skills, from setting the table to wrapping a birthday gift!
- **Spanish:** Vocabulary and simple phrases through stories, songs, games, and happy celebrations.
- **Science:** Hands-on, exciting, silly, messy, and building a positive association with science.
- **Sports and Gymnastics:** this class focuses on gross motor, core strength, coordination skills, balance, muscle development and fun.
- **Zoo-phonics:** Whole body approach to learning letters and their sounds through fun zoo animals. This class meets twice weekly, and the fee is \$1,690.00

EXTENDED CARE OPPORTUNITIES

- ❖ **EARLY CARE:** All students are welcome to start the day before their class begins. Early Care is available from 8:00-8:45 AM. The cost is \$12:00.

- ❖ **LUNCH:** This is an opportunity for all age groups to share mealtime with their friends under the kind guidance and support of teachers. The lunch period is 11:45 AM - 12:45 PM, and includes outdoor play, eating with peers, and often a story time to round out the “lunch experience”. Lunch costs \$18.00 and children bring their own **PEANUT FREE** lunches.

- ❖ **KID'S CLUB:**
 - **Tuesday/Thursday AM KID'S CLUB:**

All children who are enrolled in a M/W/F morning class are invited to attend a morning T/TH AM Kid's Club. This is an opportunity for parents to experience a flexible care option anytime between 8:45-11:45 AM on Tuesday and Thursday mornings. This is a drop-in class with no pre-registration required. The class will include indoor/outdoor play, circle time, small group activities, snack time, and art. It is fun, relaxed and flexible. The cost is \$10.00 per half hour and a late charge will be applied after 11:50 AM. The 2's are welcome to attend T/TH AM Kid's Club at the beginning of school.

 - **Monday-Friday PM KID'S CLUB:**

This flexible, and optional care is offered anytime from 12:45 AM-3:30 PM every afternoon, that school is in session. *All afternoons are available to children regardless of how many mornings they attend school.* Children attending PM KID'S CLUB enjoy an informal, creative play environment with both indoor and outdoor play. Teachers plan snack, activities and build curriculum around small-group dynamics. There is no need to sign-up in advance and the time period is flexible. Your child can stay for a short period of time, or all afternoon, so this is a convenient and affordable option for busy parents. It is a nice way for students to meet children from other classrooms as well. Again, no pre-registration is required. The cost is \$10.00 per half an hour and a late charge will be applied after 3:35 PM. We invite the 2's to join us for M-F afternoon KID's Club starting January 2023.

- ❖ Extended care fees for Early Care, Lunch, and Kid's Club are added to your Smart Tuition account and invoiced monthly.

YOUR PRESCHOOLER'S DAY

- **ART EXPLORATION:** Art experiences that are open-ended are an important part of developing self-expression. A wide variety of art media and tools encourages children to recreate their own reality, using representational art forms that demonstrate how children see their physical and social worlds. It can be both fun and inspiring to paint with things like Matchbox cars and golf balls, or to create recycled-materials collages. The process is more important than the product.
- **BIKES & OUTDOOR PLAY:** Our outdoor areas provide a natural contrast to the classroom with further opportunities for social interaction, physical and imaginative play, collaboration and problem solving. We offer two outside yards featuring play structures, sand, grass areas, and toys. A bike path with many different bike choices, help children at all stages to further develop gross-motor skills. From two-year-old's not quite ready to pedal yet, to five-year-old's zipping around on balance bikes. All children will have the opportunity to participate and have fun in our outdoor area.
- **CALENDAR TIME:** Teachers gather the older students on the carpet area to welcome and celebrate the day. This valuable time is used to help establish and reinforce routines and social concepts, such as, greeting each other, exploring the days of the week, the weather, seasons, patterns and basic counting. Depending on the class, students often take turns standing up next to the teacher to help guide the class through these learning experiences, offering low-pressure and fun opportunities to be comfortable with public speaking.
- **CIRCLE TIME:** A teacher-led time that differs in length and scope depending on the age of the class. Music, movement, flannel stories, books, games, puppets and social interaction are all a part of the circle "magic". Learning how to participate in a group is a skill that prepares children for other larger group activities. Many social, emotional, and academic skills are practiced and built upon at Circle Time.

- **COGNITIVE:** These activities are specifically chosen for the children by their teachers to introduce or enhance particular skills in the classroom. A variety of engaging activities are modeled and selected to support attentiveness, memory, critical thinking, following directions, fine motor development, recognition and value of numbers, visual discrimination and classification, recognition of upper-and-lower case letters, phonemic awareness, patterning, sequencing, and task reasoning to finding solutions. Children actively participate in teacher-directed projects with concrete materials, fostering initiation, independence, follow-through, and completion.
- **GYMNASTICS:** Kim Kludt, of Start Fitness, leads your child's class in gymnastics each week. The class focuses on gross motor skills, core strengthening, balancing, and age-appropriate tumbling. Parachute play and movement to music, are fun elements to this program. This program is designed for two-year old's through Pre-K aged children.
- **SMALL GROUP:** The class is divided into smaller groups to encourage learning in a structure different from the whole-class environment. The groups might work on a special project, go for a nature walk, listen to a story, or share in fun, informal conversations. Participation in smaller interactive groups fosters reciprocal discussions, listening skills, cooperation, and compromise. This very important part of the day supports deeper relationships between children and strengthens the bonds between teacher and student. Children also have the chance to share their feelings and ideas with a smaller group, that often feels safer. This experience boosts confidence when expressing themselves highlighting their individuality.
- **SNACK:** The children are provided a peanut-free snack each day. Snacks typically include fresh fruit, various crackers or pretzels, and water (all children are encouraged to bring their own water bottles to class). It is not only a chance to socialize in a small group setting, but an opportunity for the children to practice manners and routines they can use at home, on play dates, or when they are out with family and friends.
- **WOODWORKING:** If you child is in our Pre-K classes, they will have the opportunity to work and build with wood one-on-one with our woodworking teacher, Mitch. The children learn how to safely handle woodworking tools, build their own wooden creation, and then take home their treasure.

POLICIES

ATTENDANCE / ILLNESS POLICY: Regular attendance and prompt arrival helps children feel more comfortable and secure attending preschool. If a child seems unwell, has excessive nasal congestion, discharge or an elevated temperature, they should not be in school.

*Children should remain at home for 48 hours **after** signs of fever, vomiting or diarrhea have gone.* Please report any communicable disease to the office. If a child becomes ill at school, we will care for the child as needed while we call the parents or emergency contacts to take the child home.

BEHAVIOR / GUIDANCE: We practice loving, firm but kind methods when modeling acceptable classroom behavior. We guide the children to learn through their own experiences, and to develop the skills needed to control impulsive behavior and delayed gratification. We are dedicated to the premise that one does not need to feel worse in order to behave better. A child's dignity is always respected. We do not use discipline that shames or belittles. If a child displays any severe behavior issues or patterns, the Co-Directors will contact parents. Most behavior and discipline concerns are common and ordinary and are handled between the teacher and child. We do consider biting a serious behavioral, health, and safety concern, requiring immediate action. If a child bites another student or a teacher, we will contact parents to take the child home for the remainder of the day.

BIRTHDAYS: At the Children's Center we know how important your child's birthday is. Parents are welcome to provide a small birthday treat for all the class to enjoy at snack time.

CALENDAR: The school year usually begins early September and ends in early June with our school-wide "Family Fun Day" event. We typically follow the Los Altos School District calendar for most holidays and vacations. A Children's Center calendar with the exact days and events is included in the start of the school year information packet and is on our website. On occasion, we are closed for LAUMC campus-wide events, which are also on the calendar.

CONFERENCES: Parent-teacher conferences are held once a year for three-year-old and Pre-K children. These informal meetings are for the purpose of discussing the developmental progress of each child based on observations and individual assessments.

DISASTER INFORMATION: Should a disaster or major emergency occur during school hours; an evacuation may be necessary. An accurate and completed “Consent for Emergency Medical Treatment” form with the “Family Password” and the “Emergency Contact Information” form are both *critical*. These forms provide us valuable information during an emergency. Please choose your emergency contacts carefully. These contacts should be people familiar to your preschooler within a 10-minute drive of the preschool and who could come to pick up your child in a disaster. Please consider choosing people who are in two different areas; in emergencies like an earthquake or fire, phones may be inactive, and roads may be closed. For more detailed information about our emergency policies and procedures, please refer to the Emergency Operations booklet, which is included in the start-of-school packet.

DISMISSAL:

When your children are dismissed, we ask that you do not have them play in the play yards or out in front of the sanctuary. This is a church campus where people are working throughout the campus and where people come to pray. We thank you for your understanding.

DROP-OFF AND PICK-UP: State law requires that all children be signed-in prior to entering their classrooms. Anyone may bring a child to school; however, only parents or authorized persons may sign a child out at dismissal time. We will only release a child to someone who has been authorized by a parent. Please notify the office if an unauthorized person is picking up your child. We will not release a child to anyone who is not authorized by the parents.

EMERGENCY OPERATIONS PLAN (EOP): The care and safety of your child in all situations is of utmost importance at the Children’s Center. We are very proud to have a comprehensive and detailed Emergency Operations Plan (EOP), created and updated through years of experience. We have worked with the Red Cross, the local police department, and researched preparedness to keep current on evacuation procedures. We hold monthly fire drills, practice lockdowns, and multiple earthquake drills throughout the year. To help students, teachers, and parents be prepared, we also hold a school-wide practice evacuation drill in November.

HOLIDAY OBSERVANCES:

The Children’s Center celebrates holidays throughout the year. Typically, we have a school-wide “Halloween Hoot” event in October; we talk about being thankful and share a ‘feast’ at Thanksgiving; we sing both spiritual and popular Christmas and Hanukkah songs in December; we share and celebrate our love on Valentine’s Day; we search for leprechauns in March, hunt for Easter eggs in April; and we dance around the Maypole in May. All celebrations are designed for the preschool child and are age appropriate.

MEDICATION: Please refer to the **INCIDENTAL MEDICAL SERVICES - PLAN OF OPERATION** section in this handbook.

OFFICE HOURS: Each classroom teaching team offers a set weekly timeslot for virtual office hours or in-person after 3:30 PM. This time is available for parents to meet and discuss their child's progress and share information. If you are unable to meet teachers during these specified office hours, you may arrange an alternative time with the teachers.

PARENT PARTICIPATION: There are also many opportunities throughout the school year for you to be involved in your child's preschool experience. Please let your teachers know if you have a project or talent that you would like to share with the class, or if you would simply like to schedule a day to be a guest and experience your child's preschool day. Please refer to the latest Protocols & Covid Procedures to determine if the Children's Center is currently an open campus.

POTTY TRAINING: Your child is not required to be potty trained before starting school.

PROPER CLOTHING:

It is our goal for all children attending the Children's Center to explore their environment safely and fully. Please dress your children for play. Sturdy, closed-toe rubber soled shoes and socks are a must. **Please no crocs, sandals, or boots.** We know this can be a challenge, but it helps ensure your child can fully and safely enjoy their day. Everything that comes to school should be labeled with your child's first and last name as well as classroom number. We maintain a lost and found and donate all unclaimed items to charity at the end of the school year.

REFUND POLICY:

Registration deposits are nonrefundable and nontransferable. Tuition is refundable in case of withdrawal, with a two weeks' notice in writing. Tuition will be pro-rated and will be charged for that period, regardless of attendance. In the case of a school wide shut down, due to property damage, a public health emergency, or a natural disaster, tuition is not refundable or transferable.

REGISTRATION PROCEDURES:

Currently enrolled families have **priority** and may reserve a space for the next school year.

LAUMC members, alumni & wait list priority families have **second** priority.

All remaining spaces are open to the general public for registration in early November, on a first-come, first-served basis.

To enroll: -

- Please submit a completed application form
- If space is available, you will be required to enroll in Smart Tuition, our financial platform used for emailing and invoicing families. A \$50.00 annual administrative fee will be applied to your account by Smart Tuition.
- The Children's Center will charge your account a registration deposit and \$100.00 application fee, both fees are nonrefundable/nontransferable.
- The application fee is waived for LAUMC members.

If your child is unable to enroll due to lack of space, he/she will be placed on the Wait List. Applicants that are not offered enrollment will have Wait List priority for next year's admission. This priority is voided if a space becomes available, is offered, and declined. Classes are contingent on enough enrollment and staffing.

REGISTRATION DEPOSIT & TUITION PAYMENTS:

A registration deposit payment is required to secure your child's placement. Please refer to the annual payment schedule. Registration deposits are nonrefundable and nontransferable.

There are two tuition payments, due in July and February. For children who enroll at the Children's Center *after* the school year has started, tuition is calculated and charged on a pro-rated basis.

SECURITY: There are many gated entrances on our campus. We check them continuously and ask that you close all gates as you pass through. One of the first things we tell the children is: "Only teachers and parents open doors and gates". We have excellent teacher/child ratios, and the children are always supervised. The double doors in the front of the Children's Center are locked in between drop-off and pick-up times; during this period, access into the school is only through the office door, when the campus is open. Entrances and exit areas of the school are under surveillance by LAUMC's security cameras, which are monitored in the office.

SEPARATION ANXIETY: Some children experience separation anxiety at the beginning of the year. This is not unusual. Encouraging your preschooler and sharing your confidence in them will work wonders in building their self-esteem and coping skills. If you give them a quick and confident hug and tell them you will see them when school is over, they are less likely to be concerned. When children discover they *can* be at school on their own, they are on their way to building a strong sense of self.

SMART TUITION/BLACKBAUD: This financial platform is used for both invoicing and a payment service. If both parents prefer receiving notifications from the Children's Center, please include a primary and secondary email address in your Smart Tuition portal. Once enrolled, you will be able to pay by check, credit card, or by debiting your checking or savings account. Smart Tuition's service number is 1-888-868-8828.

SNACKS: We provide a **PEANUT FREE** snack and fresh fruit every snack time. If your child suffers from food allergies, we ask that you provide his/her own peanut free snack food. There is a snack menu posted outside each classroom, and ingredient listings are posted in the kitchen.

TOURS: Parents of prospective students may visit the Children's Center by first contacting our office to make a tour appointment. During your tour you will have an opportunity to experience class activities that are typical for your child's age. This will give you the most complete picture of our curriculum, our philosophy, as well as meeting our dedicated staff. All visitors must sign in at the office and wear a "Visitor" lanyard.

TRANSPORTATION: LAUMC does not provide transportation. We ask that the white curb areas be used only if you have a sleeping baby or a sibling that is ill. Our office staff is happy to assist at drop-off or pick-up; please do not leave a young child unattended in your car.

HANDICAP SPACES OUTSIDE OF THE CHILDREN'S CENTER ARE TO BE USED ONLY BY THE DISABLED WITH PROPER PLACARDS

TUITION ASSISTANCE: As part of the ministry of the Los Altos United Methodist Church, the Children's Center offers financial assistance to families in need. The "Tuition Assistance Request" forms are available in the office and are due with your application for enrollment. Award letters will be mailed in early June. These awards are applied toward the tuition payments and not the registration deposit. Tuition Assistance is not available for the two-year-old program.

WEBSITE: The Children's Center website address is www.childrenscenterpreschool.org

INCIDENTAL MEDICAL SERVICES - PLAN OF OPERATIONS

EMERGENCY TREATMENT: You have given permission, on your “Consent for Emergency Medical Treatment” form, for emergency medical/dental treatment, including the use of all emergency services. This will be implemented only in extreme situations. We will make every effort to reach parents and/or emergency contacts should such a situation arise. *Please keep us updated if phone numbers or emergency contacts change.*

HEALTH & SAFETY: A child’s health and well-being is our most important responsibility. Our priority is to keep children safe. Parents must keep children home and notify the school if their child has been infected with a contagious disease or rash. It is essential in these cases for the school to know what the child’s symptoms are, so please call the office as soon as possible (650-941-5411).

IMMUNIZATIONS: We require our students to be immunized in accordance with the current laws of the State of California.

MINOR INJURIES AND ILLNESS: If a child has been slightly injured at school with a non-emergency incident (scrape, bruise, bump) an “incident report” will be completed and given to the parents with a copy placed on file at the Children’s Center. If needed, we will wash the area with water, apply a Band-Aid, and/or an ice pack. In the event of a more serious injury, every effort will be made to contact a parent, or the emergency contacts on file. If necessary, 911 will be called.

MEDICATIONS: Please dispense medications prior to arriving or after leaving school, and request prescriptions with 12-hour dosages from your physician or health care provider.

If prescription medications, nonprescription medications and topical nonprescription medications need to be dispensed at school, parents must complete LIC 9221 Form, “Parent Consent for Administration of Medications”, indicating the beginning and ending date the child is to receive the medication. In addition, parents are required to: -

- Provide information on possible side effects of the medication.
- Bring medication in its original container in a clear resealable plastic bag.
- Ensure that prescription medication includes a prescription label with specific dispensing instructions and a current expiration date.
- Do not store medications in lunch bags, backpacks, or any other personal belongings.

- Provide the Co-Directors with the physician's written instructions any time the manufacturer's instructions require physician dosage to differ from the age and weight information on the label.

A log will be kept at the Children's Center indicating who administered the medication, and the date and time given.

EPI PEN: If the child has a medically prescribed EpiPen, the Children's Center staff will:

- 1) Use it in accordance with the directions, and as prescribed by a physician, and in emergencies only. The EpiPen will only be used in the event of an allergic emergency as prescribed by a physician and will be administered in accordance with the emergency medical treatment plan as supplied by the parents for the child. The use of this device is for emergency supportive therapy only and is not a replacement or substitute for immediate medical or hospital care.
- 2) Always keep the EpiPen ready for use. It will be stored in the classroom's red emergency backpack.
- 3) Protect the EpiPen from exposure to light and extreme heat.
- 4) We will note the expiration date on the unit and request a replacement from the parents prior to that date.
- 5) Call 911 and the parents, or authorized representative immediately after administering an EpiPen.
- 6) If 911 is called, we will notify Community Care Licensing Division Regional Office within 24 hours. Written notification (LIC 624) "Unusual Incident Report" will be sent to CCLD Regional Office within 7 days. Copies are also given to the parents, placed in the child's file, and a copy given to the Co-Directors.

FIRST AID SUPPLIES: Supplies will be stored out of the reach of children.

MEDICAL TRAINING OF STAFF: The Children's Center staff have the appropriate ratio of administration, teachers and assistants trained in pediatric CPR and First Aid.

RECORD OF FOOD ALLERGY & ANAPHYLAXIS CARE PLAN: Parents are asked to fully communicate with administration and the teaching team about their child’s allergies. If the child requires medication during preschool hours, a completed “Food Allergy Action Plan” must be on file in the office before commencement of the school year. The child’s doctor’s name, phone number and specific written instructions are required. The child’s medication will be kept in a Ziploc bag and must be clearly marked with the child’s name and classroom number. The Ziploc bag will be stored in the classroom’s red emergency backpack.

A master “Allergy List” is posted in the school’s kitchen which itemizes the child’s name, classroom, allergy, medication and/or EpiPen.

SPECIAL MEDICAL NEEDS: Our policy is administration and/or teachers do not administer injections. The only exception is the EpiPen in the case of extreme allergic reactions.

STORAGE OF MEDICATIONS AND EPI PEN: All medications will be kept in a Ziploc bag in the child’s classroom emergency backpack. The backpack goes with the teacher during every transition in the school day and will be taken with the class in the event of an evacuation. If a child stays for lunch, on a regular basis we require an extra set of medications and instructions for the kitchen backpack.

UNUSUAL INCIDENTS: Should a child be involved in an unusual incident parents will receive a written “Unusual Incident Report”. This report will describe the nature of the situation and how the staff responded to it. A call will also be placed to the Duty Officer at CCLD (510-622-2602) within 24 hours to report the unusual incident. The “Unusual Incident Report” will be sent to CCLD Regional Office within 7 days. Copies are also given to the parents, placed in the child’s file, and a copy placed in the Co-Director’s office.

FAMILY RESOURCE CENTER

The Family Resource Center is designed to reinforce the Children’s Center Preschool’s mission of supporting parents and caregivers. We offer: -

COFFEE TALKS

These smaller, informal gatherings offer you an opportunity to meet and connect with other parents while listening to speakers discussing a variety of parenting topics and concerns. These events typically take place in the morning on school days.

COMMUNITY OUTREACH

We believe that participating in community outreach projects is a perfect way to begin instilling lifelong awareness in your child about the importance of helping others in need. We encourage our families to have their children be a part of the process.

FRC LIBRARY

Parents are encouraged and welcome to use this space to browse or borrow parenting books. Our parent resource library offers numerous parenting books, CDs, and DVDs for you to “check out”. In the FRC office you will also find information about upcoming school and community events. The library is in the Family Resource Center in the school office.

SPEAKER SERIES, SPECIAL EVENTS AND PERFORMANCES

We proudly offer speaking presentations where professionals share their knowledge on a variety of topics. We also provide enriching assemblies for the children, including visits from valuable community members and children’s book authors.

If you have questions, please contact Bryn Stuebner, FRC Director at brynstuebner@laumc.org or by calling 650-941-5411.

Please visit our school website for more information: www.childrenscenterpreschool.org/frc.html

CHILDREN’S CENTER STAFF

<u>NAME</u>	<u>DOH</u>	<u>POSITION</u>
Erica Aguilar	2021	Classroom Assistant
